

# \$40,000 by 40 Years Collegiate Chapter Challenge

The Sigma Alpha Educational Foundation announces a fundraising challenge for Sigma Alpha Collegiate chapters. The Sigma Alpha pillar of service includes volunteering time, money or a combination of both to support a cause, mission, or organization that values and promotes something important to you. What better way to kick-off the school year than by supporting the Sigma Alpha Educational Foundation.

The Foundation funds scholarships and grants to Sigma Alpha chapters and sisters to assist in facilitating or attending leadership and agricultural educational programs. The Foundation also supports the Sorority through national grants. In 2017-18, the Foundation will have provided more than \$42,000 in grants and scholarships to the Sorority and its members.
